At Universal Kempo-Karate, each Birthday Party is designed not only to be fun, but also to be educational. You'll never see kids running around wild, or standing around bored, either. A trained instructor will supervise and coordinate everything from beginning to end.

Each party is filled with specially designed drills and games making it possible for all the kids to have fun while they learn basic Karate skills.

Additionally, there is no prior Martial Arts experience required to participate... so everyone 4 & up will be able to join in! Everyone will be going home having had a wonderful time.
